

I am a Pediatrician with subspecialty in Pediatric Intensive Care and a Master's Degree in "International Medicine – Health Crisis management". I am a certified Adult Educator and have taught for many years in Vocational Institutes and in the clinical setting and have also been an Instructor in the Neonatal Life Support Seminar of the European Resuscitation Council since 2011. I have worked in private and public hospitals and abroad. Currently, I work as Primary Healthcare Pediatrician in Ilioupoli Health Center.
